Letter from the director

I'm humbled by the generosity of all who have invested their time, talent and treasure this past year. Because of you, we were able to multiply the impact of our staff, allowing us to experiment with a new block schedule offering more class choices for students. Our Dream Maker Giving Society membership doubled in 2019, allowing us to form plans for expansion of a new third classroom to open in early 2020. And we received our first notice that we've been included as a beneficiary in a supporter's estate plan, paving the way for growth of our program well beyond 2020.

It's all too common for these adults to be unseen, forgotten members of the community. Many people never get to experience the joy of knowing an adult with intellectual disabilities. But at Pathways, we invite the community to join us in the classroom as volunteers. We challenge our students to become more active members of the community through volunteer work, exciting field trips and community experiences. Our program involves so much more than growth in math and reading skills – we're enhancing the quality of life, busting old stigma, and creating a more meaningful, inclusive community for all. That's your legacy. Thanks for supporting this ministry these past ten years. Here's to many more!

With gratitude,
Monique Scraper
Executive Director

PATHWAYS Adult Learning Center

Making Dreams Come True Since 2009

Pathways Adult Learning Center is a unique Christian program dedicated to enhancing the quality of life for adults with intellectual disabilities.

PATHWAYS Adult Learning Center

2019 Annual Report

Thanks to the generosity of our community:

- We raised more than $81,000 to buy a new bus with a wheelchair lift!
- We increased the amount of scholarships awarded to families by 34%.
- We added a 5th teacher position and an administrative assistant position.
- We increased the number of volunteer mentors matched with students by 146%.

LEARN

Students continued their education through daily reading, math, and science classes. 95% of students retained or grew their math skills while 100% of students retained or grew their reading skills.

GROW

Students continued to grow in their faith and enjoyed guest lectures from volunteers and Kirk Pastor Aaron Elmore.

VOLUNTEER

Students became certified in food handling so they could prepare weekly meals for families with children in the hospital through the Ronald McDonald House.

MOVE

Students stayed active every day with stretching and dance classes. 20 students competed with the Panther swim and track teams bringing home countless ribbons and medals.

Thank you to our 2019 Members of the Dream Maker Giving Society

Dream Maker Giving Society members pledged to make a gift of $1,000 or greater each year for 3 years. Giving society members are making so many dreams become a reality for our students. We are so grateful!
