

92% of Pathways students retained or grew in their reading skills.

95% of Pathways students retained or grew in their math skills.

“Shaylin has grown leaps and bounds since attending Pathways. Her social skills surprise me everyday!”
- Dawn Wells, Shaylin’s mom

Volunteers served 1,717 hours and changed many lives. That translates to \$42,392.73 of value for our program.

2018 was the first year that multi-year pledges were raised. \$91,795 of income is future year pledges that were recorded in 2018.

**2018 Annual Report
The Power of Mentorship**

March 2019 marked the one year anniversary of our volunteer mentorship program. This program matches students with a volunteer mentor to work on their individual needs in math, reading, and life skills. 18 students were mentored in 2018. Mentored students have a better chance of exhibiting growth in math and reading than nonmentored students. Call today to see how you can be a part of something special.

“Katherine has become more relaxed, has grown in her conversation skills and always amazes me with her mathematical skills. Mentoring has been a wonderful learning experience for me.” - Angela, mentor

4,284

student volunteer hours in the Tulsa community

Pathways students volunteered weekly at the food bank and at retirement communities.

588

miles walked

Students met their 2018 fitness goal to walk across Oklahoma.

12

new memory verses

Each month students memorized a verse from the Bible. By pairing it with a song, students memorized verses in 4-5 days compared to 2-3 weeks without music.

6

books read

Students formed their first ever book clubs. Together they read classic and contemporary novels and discussed how these stories related to their lives.

Letter from the director

My heart is full. Thanks to you, last year was a record year for Pathways. More students were served than ever before, students grew in their faith, they started a garden where they grow their own vegetables for their cooking lessons, they increased their volunteer time in the community, won many medals at Special Olympics, and grew in their social skills and self-confidence.

2019 is our 10th anniversary year. We served only 7 students for 12 hours a week in 2009, and today we serve 63 students, operating 40 hours a week. Your support over the last decade has brought our students so many blessings and successes. In 2018, our Dream Maker Giving Society was created thanks to 19 generous founding members committed to supporting the sustainability and growth of our program through 3-year pledges of \$1,000 or more per year. Thank you to all of our volunteers and supporters for helping these students live happier, healthier and more meaningful lives this past year.

As we celebrate these past 10 years, we look forward to the challenge of our next 10 years as the need for our services in our Tulsa community continues to grow. We have a great need for more Dream Makers, for weekly volunteer mentors, for classroom volunteers and for supporters of all kinds to be our mission partners this year. With your help, there is no limit to how much ministry we can accomplish.

Monique Scaper
Executive Director

Thank you to our 2018 Founding Members of the Dream Maker Giving Society

Dream Maker Giving Society members pledged to make a gift of \$1,000 or greater each year for 3 years. Giving society members are making so many dreams become a reality for our students. We are so grateful!
